In regarding to independent claims 1, 11 and 20, Adams taken either individually or in combination with other prior art of record fails to teach or render obvious querying a directory of payment systems in an attempt to locate a payment system to process the transaction based at least in part upon the received payment criteria, wherein the querying is not performed by an acquiring bank; and returning an identification of the located payment system to process the transaction, wherein the returned identification includes rating information indicating the amount of matching between the located payment system and the payment criteria.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
